INVESTING IN YOU

In your first two years or more, you'll work in many industries and functions. You'll build business **knowledge** and perhaps find a field you're inspired to pursue more deeply. You will likely have the opportunity to travel and will definitely work with talented people from different cultures and backgrounds. We **invest** heavily in support and training for all firm members. Programs run the gamut from our proprietary e-learning to office or **practice-based** sessions to our formal global training curriculum. Coaching and mentorship is an integral part of your development at Mako; peers will give you feedback and partners will help you grow and plan the next several years of your career.

WORK WITH US

The chance to move fast, be bold and build products and services with impact has never been greater. At Mako, we have a saying that the journey is only 1% finished — join us as you begin yours. We have tons of exciting **opportunities** available for new grads and interns who want to help us in our mission to make the world more open and connected.

THE MAKO DIFFERENCE

Interns are an important part of the team. Whether you sign on for a summer internship or a co-op during the academic year, you can work on **critical** projects, in the U.S. and around the world. As part of the Mako community, you'll get a unique perspective on our process and those who lead it.

JOIN US AND DRIVE THE FUTURE

Become superior to your peers. You are special - we recognize that. The world needs that. We have no time to waste. If you think you want to **change** the world, you have one question to ask: what am I waiting for?
